In its fourteenth year, E&S Tours, creators of unique inspirational tours throughout Europe, is pleased to announce a once in a lifetime opportunity. Come discover the wonders of the most ancient Jewish community in Europe with a very special tour of Greece, home to seventeen UNESCO World Heritage sites and whose roots are traced to the civilization of ancient Greece, generally considered the cradle of Western civilization. This tour is especially designed for all those who wish to explore the rich Jewish heritage of Greece and who want a high level, comfortable and affordable touring experience featuring first class accommodations in world class hotels and deluxe motor coaches equipped with the latest amenities (air conditioning, rest rooms, fridge, hot water, video, reclining seats, etc). Delicious Glatt Mehadrin and Cholov Yisroel catered meals are included three times a day, as well as snacks, drinks and more. This unique Jewish heritage trip will be led by world renown maggid, Rabbi Paysach Krohn, who will once again inspire us with inspirational stories and Divrei Torah of the great Torah Giants that lived, learned and taught Torah in Greece. You may read about Salonika, Athens, Chalkis, Ioannina, Corfu and Crete, but when you walk the ancient streets our Jewish historical heritage comes alive before your very eyes. Your senses will be awakened to a world physically gone, yet spiritually vibrant. This experience of thousands of years of Jewish life coming alive will surely be remembered long after the tour. Participants will also visit breathtaking sites, remaining shuls, old Jewish Quarters and museums and unique Greek castles, gorgeous mountain ranges, breathtaking coastal views and important landmarks.

We will meet community leaders who will share with us their social, religious and Jewish political activities that shape their way of life. A beautiful and inspirational Shabbos is planned and of course no E&S Tour would be complete without a special Motzoi Shabbos melave malka! Space is very limited. Being that there is a huge demand for this unique tour, in order to hold your spot on this special tour, you are urged to make reservations as soon as possible. Since it will not be possible to accommodate everyone on this tour, applicants will be accepted on a first-come first-serve basis.
